VOLUNTEER +PLUS

A new exciting
volunteering project for
13 - 18 year olds funded
by the National Lottery.

What We Have to Offer

Volunteering +Plus is a new project which has been funded by the National Lottery and is run by East Riding Voluntary Action Services Ltd. The project aims to support vulnerable young people aged 13 to 18 in the North East of the East Riding take part in volunteering and social action. To do this we are offering the following -

- Volunteering drop-in sessions
- Young Ambassadors programme
- Wise Up programme
- Social Action Workshops

Outcomes for Young People

The project will increase the young person's confidence, self esteem, skills and knowledge.

The opportunities they take part in will be chosen especially to suit their interest, and will help them to develop as

an individual, whilst meeting new people and taking part in new and enjoyable experiences.

Young Ambassadors

We are looking for young people to take part in our Young Ambassadors programme. These young people will be the voice of the Volunteering project.

We are looking for young people who want to volunteer their time to help develop some new activities which will be delivered to other young people. This is a new exciting role and will provide your young people with new skills to develop as people and build their CV.

Wise Up

As part of the Volunteering Plus project we are looking to work with vulnerable young people aged 13 to 18 on the Wise Up programme.

The Wise Up programme has already been running in Hull with the Humberside Police Early Intervention Team and we are looking to take this into the new Volunteering plus areas. The programme looks at shaping the behaviors of young people and provides vital information about how they can stay safe by taking part in some fun activities.

Drop-In Sessions

We are also looking to offer volunteering drop-in sessions within the Volunteering Plus area.

These sessions will provide young people with an opportunity to discuss their interests and for us to match them to a suitable volunteering opportunity.
