

Volunteen Green

Gardening sessions

ERVAS are pleased to launch an exciting new volunteering opportunity at Pickering Road Orchard for young people aged 11-25 with additional needs.

These fun, outdoor gardening sessions will provide volunteers with the opportunity to get involved with caring for the wildlife garden and maintaining the fruit trees at this well established community orchard.

Our 2016 sessions will be running on:

Sunday 6th November 10am—1pm

Sunday 13th November 11am—2pm

Sunday 11th December 11am—2pm

Places are very limited for these sessions.

So we can provide appropriate support for participants it is important you book a place in advance for the session.

We aim to make the session as accessible as possible, but as the location is a working orchard the ground can be uneven and some areas will not be accessible to all. Where needed, our gardening activities will be adapted so that everyone can participate. We don't have provision to provide personal care. If you need some help with this please bring someone with you. They are more than welcome to join in the session with us.

To book a place or for more information please

email: bryony@ervas.org.uk

or phone: Bryony, Colette or Rosie on 01482 871077.

We look forward to seeing you there
